Kharazmi University

Intelligent Systems Scientific Society of Iran

11th Iranian Conference on Intelligent Systems (ICIS 2013)

Kharazmi University
Tehran – February 27th & 28th, 2013

Faculty of Engineering, Kharazmi University
(Karaj Campus)

Call for Papers

The 11th Iranian Conference on Intelligent Systems (ICIS2013) is being organized by Kharazmi University in cooperation with the permanent Secretariat of the ICIS. The conference will be held in Tehran from 27 to 28 February, 2013. The conference committee invites prospective authors to submit their completed papers on the key topics of the conference.

Conference Objectives

- To create alignment and coordination between experts and researchers, facilitate the exchange of scientific achievements, and to learn and achieve breakthroughs in research.
- To introduce the importance and applications of intelligent systems in Iran and the world.
- To identify industry challenges and suggest solutions.
- To create opportunities for interactions between universities and industries.

Key Topics

- Artificial Intelligence
- Robotics
- Data Mining
- Decision Making
- Cognitive Science
- Bioinformatics
- Speech Processing
- Soft Computing
- Computational Intelligence
- Expert Systems
- Control Systems
- Multi-agent Systems
- Machine Vision and Image Processing
- Applications of Intelligent Systems in Industries

Important Dates

Full-length paper submission due: December 5, 2012.

Notification of acceptance: January 4, 2013.

Camera ready submission due: February 3, 2013.

Conference date: February 27th and 28th, 2013.

Paper Submission

- Prospective authors are invited to submit their papers on the key topics of the conference before the deadline through the conference website. Papers submitted to the conference must not have been presented or published before.
- Papers must be formatted according to the instructions available on the conference website.
- Only presented papers will be included in the conference proceedings.

Additional Activities

During the conference, workshops and tutorials, industry seminars, panel discussions and industry exhibitions will be held by intellectuals and experts from academia and industry. Proposals for workshops and tutorials should be sent to the Secretariat of ICIS2013 by February 13, 2013.
